Step 5:- Click on the accounts tab to setup payment method. Choose Electronic fund transfer (ETF) as paying through a credit card eats a chunk off of the percentage donated to SWM. There are no charges associated with ETF usage or if any, they are very minimal compared to what they charge when one uses a credit card.

The screenshot shows the 'Setup Payments by Electronic Funds Transfer (EFT)' page on the FundScrip website. The page is titled 'Setup Payments by Electronic Funds Transfer (EFT)' and has a navigation bar at the top with links for Profile & Preferences, Addresses, Email & Password, Electronic Funds Transfer, and Online Bill Payment.
